paris looks in her early 20s shes petite with long blonde hair and a big smile. her pics on the website dont do her justice.

The Story:

i waited in the room for her, when she got there she apologised for keeping me waiting.we spent about 40 mins together,which was very enjoyable.i wont go in to detail but i found paris to be bubbly,talkative and she made me feel very relaxed.she also gave a great service.
ill be going back.
