The Premises:

Easy to find, five minutes from Edgware underground. A clean flat, nice roomy bedroom and immaculately clean shower/bathroom. I felt secure.

The Lady:

Petite, slim, figure is very sexy and attractive. Same as pics on the website but even better when I saw her. Also has a very warm personality.

The Story:

I originally paid for one hour but because she was so good I requested for another half hour which she was happy to provide. Leila did everything I asked her ie. 69, massage, depththroat, rim/anal and fucked at every possible positions. Submissive but so energetic. She is that good. And, yes, the best rim/anal service and the best bath/shower service I have ever had. It was pure heaven and I will surely be back again for more.
