The Premises:

Smart flat on a main road; perfectly safe.

The Lady:

Early twenties. Lean and slim but nowhere near skinny. I guess the height they give at 5'4" is about right. Shapely legs; nice arse; nice hips; decent tits with hard, dark nipples that stick out when she's turned on. Pretty face. For ?80 I was more than happy. I'd guess it's her in the photos, though you know what photos are like.

The Story:

Only there for 30 mins, so it was a cum-once effort. She's friendly and makes an effort to be nice to you and get into it.

This girl really did it for me, so couldn't fuck her too hard for most of the session or I'd have come in two seconds. She said she's been escorting for a year and a half; if that's true I don't think it shows too much.

As another punter reported, a five-minute wait before she returns after you've given her the money, but perhaps that's me knit-picking. Once the wait is over though it's all good, and as another punter said she gets wet so easily if you give her clit a rub.
