The Premises:

Nice place actually. We have all spent time crawling around basements and other shit..so this was very pleasant. Discreet and easily findable block, and a nice flat..she takes care of it.

The Lady:

Great, stunning..add your own description!! All that nonsense..looks better than pictures..etc. Not required. Lianna (or Lisa or Debora) is fantastic. Tall (er than me) very pretty, and great body. Pictures on the websites, once you factor in the pretty face are spot on.

The Story:

You know what? This might be my last shot with a WG. And if so, it would be a great swansong. I am now 54, fat & ugly...most people that know me would say age wasn't a factor but...

I really enjoyed this punt. As usual I tried to get Pam (she does not exist in my opinion, I have tried to get her every time for the last 4 years and she is NEVER available...but I am not bitter!) and I was starting to think the same of Lianna. This was my 4th or 5th attempt to see her but she was always busy or some such.

However, I called at 10.30, said I could do 11.00, got the text and trucked over to TCR.

Pitched up at 11.00 and oh fuck! I was blown away..Lianna is pretty, tall and slender.

Offered & took the shower and then she got stuck in! Sucks like a Dyson, Rims (properly) and took the first shot like a trooper.

When you are old and fat and you have done the 'hi, how are you' the shower & the Dyson in the first 10 minutes, you start to think...fuck, another punt where you are out the door in 20 and thinking, why?

Not the case!! We had a chat, her English better than mine, Lianna from Lithuania, me from SW London (so no surprise there).

Lianna has a plan, which I hope she executes on. She wants to stay in the UK.

Lianna is the first and only girl in 5+ years that has got me up for a second round but I don't want that to be the abiding memory.

There is a lot of crap talked about 'treat her nicely' etc. But this girl is stunning! She is going to retire soon, and so she should. She shouldn't have to put up with tossers like you and me spunking in her mouth just to pay her rent!!

I really wish her all the best and think...you know what...it is about time I knock this on the head as well. And if that is the case, I have gone out with one of the best.

Stay lucky Gents!

John.
