The Lady:

Wow wow wow. What a cute and pretty girl from Latvia. She is better than her photos, the most amazing blue eyes - a very unique colour, a smile that does not disappear, about five feet six, great body, beautiful soft blonde hair with a nice B rack. She has a tattoo on the lower back that has been airbrushed out on her photos - it was not really a factor as it is tastefully done. Gabriela dressed very well and was discrete.

The Story:

I am on a roll. What an amazing time. Run and see this gem - such a steal at her current rate. Very good kisser, amazing amazing OWO, open to direction and enthusiastic in her involvement. She in London for only a week or so more according to what she mentioned. I have been with quite a few girls - and Gabriela would have to be among the top 5 all time. Really sweet girl and it is tough not to fall for an angel like her. Take care of her gentlemen.
