The Premises:

Victoria House is an institution although this time it smelled a bit of stale sweat! Late in the day on a humid Weds I suppose!

The Lady:

Great looking girl with a beautiful smile and it started well with a sexy massage but but whole experience lacked something. Had the feeling she really wished she was somewhere else... to be honest it put me off a bit. Lets hope it was an off day and certainly not what Vic House is renowned for. :)

The Story:

I was done and out in 30 minutes - a record for me! Perhaps it was just one of those 'we don;t hit it off meetings??'
