The Premises:

Unremarkable bedsit apartment in an unremarkable block off the Kings Road. Totally safe. March past the receptionist like you own the place. Shower offered, plenty of clean towels and a particularly comfortable bed.

The Lady:

Tall girl (5'11") in her late twenties with lots of dark hair and exceptionally pretty brown eyes. Fabulous legs, fabulous boobs, fabulous body.

The Story:

My fourth punt and I think I'm starting to get the hang of it. Natalie was wearing an attractive black dress with (as it turned out) some pretty matching underwear. We started with a friendly handshake and then she offered me a glass of rather nice wine. We chatted on the couch and it rapidly became apparent that this intelligent girl has a wicked sense of humour. After a few moments of laughter she nodded towards the bed and suggested that, if I was ready, we could make ourselves comfortable. I was ready all right.

Lots of kissing, cuddling, stroking, nipple sucking, laughing, shagging in various positions and OWO then occurred. No CIM but frankly under the circumstances I couldn't care less. Finished off with a boobwank. Happiest hour of the week, and it was a good week. Unreservedly recommended.

Natalie is known as Julia at Alphababes and Caroline at Max's Angels.
