The Premises:

Private residence with good parking space. Safe and discreet, the area was nice an friendly and the house was clean and welcoming.

The Lady:

Slim mature lady with a very sexy personality. She greeted me wearing the best lingerie I have ever seen on a fit body like hers. Long sexy legs too.

The Story:

Passionate sexy encounter with a lady who truly cares for her guests' needs. Started off with her expert mouth getting me all hot and bothered, and then moved on to a prolonged session of close passionate sex with me finishing on top and enjoying every second of our encounter.
