The Premises:

Very cosy studio type flat in an almost perfect wg flat location, about 50M from a cheap (20p/h) pay and display car park. Amanda gives you final directions when you call from the car park. Inside its cosy and welcoming, I sat on the settee and was given a drink. Amanda does smoke but there was not a hint of a smell inside and it felt clean and welcoming, a bit like the lady herself...

The Lady:

Slim brunette, at the age where age doesn't matter, very shapely with nice legs and bum that have no doubt been commented favourable upon by other visitors. Wearing a transparent short black 'thingy' over g string and push up bra.

The Story:

As I reached the car park and filled the p&d machine a very sexy busty blonde wearing a short tight skirt walked past. Something stirred at the sight, and after avoiding a collision with a lamp post knocked on Amanda's door - she was busy answering 20 questions, its quite funny to hear it done when you are so to speak an eavesdropper. That done she offered me a drink and after a quick chat we made our way into the bedroom, big comfy bed with mirrors on 2 sides, the aroma of something exotic, probably Asda air freshener but my sense of smell is rubbish, to put it mildly. Once undressed I declined a massage in favour of getting my hands on Amanda on the bed, and she more or less melted into me as we began to kiss and stroke. More or less two hours later we disengaged after round three of an absolutely sensational encounter. As a guy with opportunites to punt where I like within reason, I was aware that Amanda was likely to provide a top quality experience and so it proved. What I find funny is that after some quite energetic and enthusiastic coupling there am I shagged out on the bed ready for a few hours sleep while Amanda works round the room tidying up the condom wrappers, almost whistling and exuding that fresh as a daisy feeling as though nothing had happened.

Anyay I can't think a single way in which the encounter could have been better. I got a fortifying cup of tea that undoubtedly gave me the urge to go for a third round, or was it the attention I was getting? Either way I finished thoroughly serviced and very satisfied. At no time did Amanda ask for the money and I was dressed and ready to go before I remembered. Would have been great to stay a bit longer but I had a plane to catch, so on the dot of 2 hrs I was back in the car park, just as the same hot blonde came swaying past. I gave her an outrageous wink and an alright darling that she

probably wasn't expecting, but after that encounter I must have had a grin as wide as the river Trent.

One of my best ever encounters, and I will be trying to get back to see her again, travel plans permitting. Maybe the blonde would make a threesome next time.....
