### The Premises:

Karen's in Whitefield, nice and clean. Plenty of parking round the back.

### The Lady:

Maxine is a beautiful blue-eyed blonde. 34dd enhanced but not overdone, shaved pussy. Probably mid thirties (I'm lousy on ages !!)

### The Story:

Booked Maxine over the phone so no idea what to expect, I had just got out of the shower when she walked in and I knew I'd hit the jackpot !!

Went straight into kissing and cuddling and got to grip with those magnificent tits, they felt nice and not too fake, I sucked and chewed on her nipples while she gave me OWO. She deep throat me with plenty of licking and sucking.

I then decided I needed to get my hands on her pussy and flipped her on her back for some reverse oral with Maxine telling me to lick and nibble her clit because that's how she likes it. I rubbed my fingers up and down her clit and pussy, this made her nice and wet for me. After a while she put the condom on and I got on top and entered her. Maxine encouraged me to do it harder and deeper and it was amazing to watch in the mirrors. I

Maxine decided me "balls were full" and whipped off the runbber and wanked me over her tits and pussy. I felt myself coming and she didn't flinch when my cum hit her in the face - she kept on wanking me until she was satisfied very last drop was out !!!

Earlier in the week I'd had an hour at Arabesque with Zoe, so the 30 minutes felt a bit rushed but that was nothing to do with Maxine. I'll make sure I book her for longer next time. After some more kissing and hugging I got dressed and followed her downstairs, she was fully naked and she left me at reception where she went off for a shower. Karen's is fantastic value and if you meet the right girl I think it's the best parlour in Manchester !!!
