The Lady:

She opened the door in fantastic lingerie holding a glass of wine and had that strut about her.

Little rounder than in her photos. Some girls look better skinnier and some curvier and she looked stunning but not as good as her photos in which she was slightly slimmer.

The Story:

We talked for a little while before we started and once we got into it she was fantastic.

We did two way rimming, foot fetish and all different positions. She was a real trooper and let me have 3 strikes. She had some pretty good chat in between and all in all it was a good experience.

Had to help her into a dress at the end of it which was quite funny as it was a real bother to tie at the back and took a good 10 minutes.

Was a good experience that I would consider doing again once I have seen more girls.
