The Story:

Saw Alice based on previous reports, as I am attracted to mature oriental women. When she opened the door the first thing I noticed was her large chest, which confirmed I had come to the right place. After paying over the money, I took a shower, with Alice helping out. Little slow to start, but after playing with those gorgeous tits I started on her pussy and licked her clit until she came. She gave me covered oral, and then I went inside her in several positions and finished myself off whilst sucking on her tits. Afterwards, Alice gave me a professional massage, which probably took us over the hour, but she is not a clock watcher. A very sweet lady, whom I will see again.
