The Premises:

Hotel just south of Cambridge. It was fine.

The Lady:

Late 30s, 5'6", size 14, shoulder length brown hair, busty 38DD, very friendly girl.

The Story:

Met at me at the hotel door with a nice smile, wearing a red blouse, shortish skirt, stockings and high heels, looked very nice. Had a little chat to start with, then onto the bed for nice some kissing, slowly removed each others clothes. Claire likes the man to take the lead and she was quickly responding to this. A previous FR poster said that she had "an erotic vulnerability coupled with enquenchable lust" and that's spot on, she seems to love men and sex, and is very, very responsive but ever so slightly shy at the same time, it's a delightful combination.

I cant remember what order it all came in but there was, OWO, RO, sex with me on top and finishing with OWO, finally with me cumming all over those lovely boobs.

Claire was superb throughout, we chatted and laughed a lot and to cap it off when we had finished she made me a cup of tea, nice touch.
