The Premises:

Converted office premises in industrial estate in Bury. People rave on about Sandy's Superstars being the best parlour in the Manchester area but LaMaison is worth a visit.

The Lady:

If I was to describe Leigh I would say petite cute brunette, about 5'4", in her early twenties (with the body of 16 yr old schoolgirl), dress size 6 to 8. Her pussy is lovely and she is a fantastic lady to spend time with.

The Story:

I would say that LaMaison is worth visiting because I have seen a few lovely women there and the ladies are consistently good.

Tamzin is a treat and she's really gorgeous; Luna is phenomenal and very good at what she does ? and now I add the lovely Leigh to my recommended list.

I did not notice how petite she was when I first arrived as she was sat on a couch in reception. It was only when she stood and took me to the room that I realised.

I normally prefer tall slim women with a curvier size ten figure, so I was pleasantly surprised with Leigh. She offered a massage which I declined since I prefer to break the ice with a cuddle and a chat when I first meet girls in these establishments.

I kissed my way down her body from her neck down to her inner thighs. Leigh also is a nice kisser, her mouth, like the rest of her, tasted good.

On with the condie and then I took the plunge inside her. WOW!!!

Lovely ? an amazing pussy to get inside of it is too.

Started off in missionary with her legs bent right back and her ankles on my shoulders; then a wee bit of doggy; and back to mish again only this time with Leigh's legs wrapped around my waist ? great. Quite a supple young woman.

We went at it for ages and she felt fabulous. We were both quite hot and sweaty when the half hour finished. Well done lass ? you are brilliant.

Afterwards we chatted and had a laugh too, then unfortunately my time was up and we walked back to the lounge area where the receptionist gave me a much needed drink after my intense session with this exquisite girl.
Would I see her again ? definitely!!!
