### The Story:

Sasha arrived at my hotel room in a black dress and high heels. Very sexy as first impressions go and it just got better and better. We chatted briefly and I felt immediately comfortable with her. I was sitting in the chair and she was on the bed but she invited me over within minutes and she moved in gently for a long lingering kiss. Phew!!! The dress was soon off as were my clothes and the chemistry kicked in fast. The sex was just fantastic and she left me relaxed with a great back massage. The hour was over too soon; I would have kept her all night if I could!!
