The Lady:

As others have said, she is a great-looking lady. She is truly a BBW, with perfect skin and a body to die for - if you think size 18 can't be sexy, think again. Her face is indeed reminiscent of Scarlett Johanssen - not overly made up, very pretty. A dream woman.

The Story:

Like many others here, I punt when I know I probably shouldn't, and have nearly always ended up disappointed or guilty or both! Well, Sophie changed all that. I arrived a few minutes late, and she greeted me in some sexy underwear and with a genuine, friendly chat. I think she realised I was quite nervous as well. After a shower (she is clean and there is no smell of cheap perfume) it was straight into kissing, cuddling and a great tit-wank that ended with me spunking over these great breasts. Then a slow massage and some mutual oral, before some great sex in mish before I managed to cum a 2nd time (record for me!) in doggy. But perhaps best of all was the quiet chat and cuddle afterwards - she is intelligent, kind and not a clock-watcher. I don't want to see anyone else again and look forward to her next tour of the West Midlands. And yes, I am still smiling days afterwards.
