The Premises:

Modern high-quality apartment in a converted warehouse at Gloucester Docks.

The Lady:

Petite, slim lady with long dark hair. Nice breasts with long nipples, plus a fantastic peach of a bum. Age quoted as 34 but looks younger. Very friendly, gets you relaxed quickly and doesn't give the impression of clock watching.

The Story:

After I'd showered, Eva started some teasing foreplay. If, like me, you are a fan of kissing, then Eva is just perfect: enthusiastic, sensuous and arousing. I won't document what followed in detail, but I was taken to the brink several times before the hour's varied activities came to a very satisfying conclusion. Perhaps it's a cliché, but this was the real Girlfriend Experience.
