The Premises:

Block of flats, safe and anonymous, even if the block is a little past its best! East access, especially with excellent instructions. The flat is perfectly OK, and Honey welcomed me like an old friend, altho it was my first visit

The Lady:

Honey looks exactly as her photos suggest (only better): big, buxom, beautiful wench. Great taste in delightfully slutty clothes that set off her ample charms

The Story:

My meeting with Honey was everything I had dared to hope for and more. I sampled her combination of massage followed by private time. She has fabulous massage skills and put them to good use on a professional table. After a tantalising massage, the action shifted from the table to the bed ... I'm not going into details, but I left a very happy man. Honey does as she promises and reads fantasies mindblowingly well. At least, she did for me! I'm still thinking about it hours later ...
