The Premises:

Flat in a newly built apartment block in a side street between the Cannock and Wednesbury Roads. During the day, a safe area. After dark, not so sure.

The Lady:

A mid-20's Korean lady. Passable english, well-able to hold a conversation. Good figure, nothing enhanced. Everything shaved and beautiful face, well manicured.

The Story:

When I saw Jenny I thought "too good to be true". A beautiful woman. "Got to be a hitch, not a proper GFE". I paid ?50 for 30 mins. Undressed, on to the bed & full passionate kissing and caressing. Stopped. Decided to pay extra ?40 for the hour.

An excellent hour. French kissing, reverse oral, covered oral and anal play at the end to help me along for my second explosion. Walked away satisfied and content that I had had a good value-for-money experience.
