The Lady:

Sky has a wonderful body personality and best of all she only 18. but she knows how to please. Lovely tanned body and great bum and nipples.

The Story:

Started off with a nice back massage A little later she removed her nice black bra to reveal a pair of fabulos tits. She started to move to my old man and quickly got him to attention. She then removed her panties and there was a shaved smooth pussy. Fingering her was great as was the passionate kissing, full on.

then I could not hold back any longer. This girl loves her job and it shows. What an inteligent girl as well. Nice Chat at the end. Thanks Sky and keep up the good work. Hope to visit you again very soon.
