Tall, dark and leggy with the most wonderful, large natural breasts imaginable. Keri has a wonderfully fit body very sexy south African accent to go with it. She has shoulder length dark hair.

The Story:

Started with oral (covered), wow! can she give oral, it was just bliss and lasted for ages. She took my entire length, real deep throat stuff! Had areal good suck of those enourmous natural breasts Took her from behind until she came, then turned over and carried on in mish until it was my turn. fantastic oral, lovely warm intimate energetic sex with a lovely girl. Kerri was arm, polite and fun to be with. She is areally nice girl, who gives a guy unforgettable sex. I'll be back, ... you bet I will!
