The Story:

My last outcall about 18 months ago was a disaster! - it was with Paris of Foxy Kittens - she did a runner with my cash.

The opportunity doesn't arise that often but overcame my resistance to try one again but this time with a class agency.

Did some research, saw pazazz in the free paper, made some calls on Saturday but nobody got back to me. Having checked out Pazazzes website, liked the look of Eleni. They have 1 previous report and it's positive. Phoned pazazz after 1pm on Sunday and spoke to a nice lady - 3 or 4 girls working inc Eleni from 6pm, and she would have to check if Eleni could do a 3pm visit. Duly called back and Eleni was booked for 3pm.

Got tea, coffee and wine ready. Went out to direct Eleni in and first saw her 'bout 20 feet away.

Gorgeous!

Not bad going arriving 2 hours after the phone call to the Agency.

Eleni had 2 condoms ready. Started with a massage with her long hair brushing my shoulders. She said she had just split up with a long-term boyfriend and was feeling "highly-sexed"!

Bra off and she's got lovely breasts - 4 inches from rib to nipple, pink and perky, conical and mesmerising!

With French Kissing throughout it was a wonderful session. Eleni really likes to talk dirty which she did throughout. OWO, RO, 69, mish, doggy, cowgirl, and mish finish. I could feel the end of the condom get really warm with warm semen and wondered just how much I'd produced - filled the teat and up the sides!

I had the full hour with Eleni. Her name comes from her part Greek/Cypriot parentage. ?150 is a lot to spend in one go but it was really enjoyable.
