The Story:

Summer is very friendly, her english is limited though.

first we got the money out of the way. we then had a lovely bath 2gether which was finished with a quick bbbj(a taste of things to come). we then went into her room. i got her to kneel down and give me a longer bbbj, this was great and she sucked me deep. soon i suggested we fuck and asked her abt anal, she agreed but said slowly. we tried anal but i was too big for her, she tried but it wasnt happening(she is very tight). so we fucked in several positions and i got her to finish me with bbbj and cim. this was a great hour spent with a very submissive girl. will see her again, treat her well guys shes worth it.
