The Premises:

accessed via an alley, to a flat above a parade of shops. the rooms were clean if basic, though the carpets could have done with a hovering. maid showed me to a side bedroom to wait & supplied me with a cup of tea & a paper to read.

The Lady:

german, thirties, blonde, 5'8" very good looking, speaking excellent english. great black outfit of short skirt stockings & lacy top.

The Story:

estelle made me feel relaxed from the moment we discussed prices. very chatty & willing, what then transpired i can only describe as intermate. the following is only an edited set of highlights. i was allowed a good grope before helping her strip. she gave me an amazing back massage & then a long blow job. doggy then mish was fantastic, another blow job to stiffen me up before cowgirl & a wrist job. finally relaxing in an embrace, nothing at all hurried.

i cannot express my appreciation for her efforts, absolutely wonderful. sadly estelle only does this day & tuesdays at dollies in bromley. it may be that i got preferential treatment in that she said i was "a clean man". but few other girls have come close to this performance.
