The Premises:

Very nice room across from station, very safe. Good bathroom and shower. Wish I could live like that.

The Lady:

Pretty Hungarian girl. Website pictures fairly accurate, she's a brunette now.

The Story:

The agency was pleasant to deal with, but their quoted price on the page was different than what the girl was expecting. Agency also suggested to meet at 8:30 but she did not get there until 9 pm due to traffic.

Very nice, vigorous girl. Had to specifically request OWO. Nice DFK and a good lay. Many positions. One of the better bodies I've had the pleasure being inside. Good conversation, fit, intelligent girl. English not perfect, but very fluent. She was a bit rushed but did not really show up in the session, engaging girl.
