The Premises:

An apartment in a new build apartment block. The local area was good and I would be happy to visit during the day or evening. Parking is a little restricted but not a real problem.

The Lady:

Very attractive and slim size 8 with a beautiful face and a lovely smile. She also has lovely long hair. 24 years of age, but I would have equally have believed her if she had said she was nineteen. In my opinion stunning.

The Story:

I really enjoyed the hour I spent with Laura. If you want a wham bam thank you mam encounter forget it. However, if you want to spend an hour with a very attractive girl who is gentle, sensitive and erotic than I would recommend her highly. A lovely hour with lots of kissing and caressing included. A real girlfriend experience. I believe she is genuinely a student from slovakia who is over here to improve her English. I have had some bad experiences with E. European girls but not on this occasion. She is no hardened professional that looks good but gives a poor service. Treat her gently and you will leave with as big a smile as I did!
