The Premises:

I have visited Sensations only once before and I must say the room looked much better than last time.

The Lady:

Charlotte greeted me at the door. She is a big busted blonde haired older lady. Mature is probably the best way of describing her. Defo a BBW!!

The Story:

I saw Charlotte one Saturday. I was feeling quite horny and it was a hot day which helped so I decided to pay Sensations a visit. I work in Chippenham at weeknds, so popping in on my lunch break was not a problem. When I walked in, a blonde haired big busted lady greeted me at the door. At first I thought blimey! I hope its not her that I will be seeing! She ushered me into the bedroom which I must say is looking better than my last visit. She ran thru. the prices, ?60 for full personal etc. I asked to see the other ladies. She told me she was the only one available. I was horrified but feeling a bit embarrassed and also still very horny, I did actually stay. So i handed over my ?60, and Charlotte left the room. I didn't opt for any extras and just told her I wanted a blow job! As I got undressed she came back into the room. She stripped totally naked and before I had chance to take it all in, she flung her gigantic saggy boobs in my face trying to get me hard and wanking my cock. I was only semi erect and she popped my cock in her mouth and started sucking. In fact as I closed my eyes and imagined my ex. it did actually feel quite nice! She kept asking me for sex so I gave in in the end and she jumped on top. As she was riding away all I could smell was a bad aroma of BO. I asked her to finish me off by hand and that was that. I can recommend sensations for a massage if you like parlours, but stay away from Charlotte.
