The Premises:

Well known hotel in High Street Kensington near the tube, large and thankfully anonymous. Standard room, clean etc.

The Lady:

Just as her photos. Great body, soft skin, wonderful breasts and a great arse. Face is obscured on the photos but she is very attractive.

The Story:

Sounded nice on the phone and also was in person - chatty, smart and very sexy.

Previous reports are spot on the money: a tried and tested routine albeit expertly delivered including lapdance (with mandatory touching!), DFK, owo, 69 and toy show before the main event - all accompanied by fine running dirty talk commentary. NB. Paris is a wonderful kisser and the owo was absolutely brilliant, a real toe curling experience!

Cowgirl and mish were also so (too?) good I had to cum all over those spectacular breasts before too long. Paris then gave me a massage and with 10 minutes left I was thinking of getting on my way but Paris was keen to see if I could cum again and I was happy to defer. 5 mins of owo later, and to my great surprise, Paris had me coming again with a CIM finish. There was no clock watching on her part, we had a bit of a chat before I showered and left to re-enter the world. The only downside was that I didn't manage to try doggy, given that she has a wonderful arse. You know what phrase comes next...
