The Premises:

The date was at my hotel

The Lady:

Very pretty face. Large, firm breasts. Long dark hair. Not the slimmest I have ever seen but still fit and really nicely dressed

The Story:

She came in and relaxed me with a little kiss at the door which was a nice touch. She asked for the money right away which was ok and we chatted for a few minutes.

Then we settled on the bed and she french kissed me and massaged my cock for about 10 minutes like I was her boyfriend. We went into full sex but with a condom on and I genuinely felt like she was loving it. I wanted to take off the condom and come in her mouth which she said would be extra. Instead we agreed that she would wank me off so I would come onto her lovely tits for no extra cash.

I couldn't grumble with that, she was enthusiastic the whole way through and I'd definitely book her again right away if it wasn't for the fact there are so many other girls out there that need servicing!!!

Highly recommended though
