The Lady:

Gorgeous slim black beauty, with tiny tits, a particular turn on for me. Early twenties maybe even younger, with silken skin and a body to die for.

The Story:

Roxy looked stunning from the moment I saw her, she led me to the room and started kissing and fondeling me before I had said a word. Her georgeous little frame had me gasping in anticipation. It was ?50 for half an hour or ?80 for a GFE. I was already hooked and went for the ?80. Wow was I glad I did, she popped out for two minutes to get ready, and it was only two minutes unlike some. She returned looking even sexier in her bra and knickers and we started to fondle each other. She seemed very happy and content and indeed enjoying herself. Fantastic OWO taking all, I had to stop her before I exploded! Beautiful reverse oral and proing, she feel nice and tight. She then got on top and rode me for a while before I flipped her over and watched her beautiful little tits bouncing up and down as I could hold back no longer. If that wasn't enough she asked if I wanted a shower, which I did, and she led me in as we showered together soaping each others bodies. She has a great personaility with lots of smiles and giggles. Without doubt the best punt I have ever had. Told her I would right a terrible report to keep all others away, I want her all to myself! That would not be fair to Roxy though, she is one top lady, please treat her well fellas. She even gave me a can of drink as I left, she could obviuosly she had drained all energy from me!
