We all have own preferances but Vanessa is mine she is tall very slim (8 I think) and drop dead gorgeous.

The Story:

I am not the most frequent user of escorts I read a few field reports make what i think is an informed decession then am normally dissapointed when I visit but not this time I had work cancelled last minute so did very quick research but what a suprise. I am shy in asking for what I want so I have to have some-one who is willing to take control in a more sexually demanding and dirty manor but not a pain sort of dom session. On the phone we discussed A few things and Vannessa said she can do dom but is more of a escort. Now I have had about 7 dom sessions in the last 4 years but Venessa was by far the best. With out going into to much detail she took control from the moment I lay down till I left I could not fault a single second .I will be going back very soon. This was some weeks ago but due to family problems and a holiday I have been unable to write a report till now sorry.

And thanks again Venessa see you soon.
