The Story:

Ok so I decided to book Monica from her pictures on the website as she looked hot, When I opened the door I was slightly confused I said I booked Monica she said she was, er well after a few minutes looking at her she was indeed Monica but not as her pictures I can honestly say they have done a great airbrush on her, she was pale lumpy and a few stretch marks. When I spoke to her on the phone she was up for everything but when we came down to it she had more rules than a game of Monopoly. Poor service, no where near as pretty as pictures in fact I would like the photographers number to see what he could do with my wife. Rang agency to complain but they just fobbed me off
