The Story:

Angel arrived on time and when she walked in she straight went to bathroom to changed in to her one piece and stockings while I waited in my lounge ...then she came in to room with sight of her ample bosom and well shaped legs. Proceeded to sloooowly expose her breasts while she rubbed me through my clothes. After a while I stripped and we lay together so we could fumble around a bit. Angel has an excruciatingly gentle teasing touch on the knob, while she spread her legs so I could get her juicy. After a few minutes of that we swapped some OWO before I she climbed on and pressed her tits in to my face. What an amazingly tight pussy.. she grips harder than a fist! After a while of pumping her from underneath we swapped to mish, then spoon, then doggy. Angel has a really curvy firm ass. She used some very encouraging words while I stiffed her from behind for ages, until she stroked us both to near climax. Then we lay down and she hj-ed me all over her tits and complimented me on the range and accuracy of my shooting! A very warm and amusing lady, who kept me up for the full 2 hours without her expert touch and tight pussy.
