The Premises:

Top floor flat just off Attercliffe Road (opposite GFE Parlour).
Friendly receptionist.

The Lady:

Busty attractive blonde lady in her early 30's ... sexy voice ... very touchable backside (which I particularly enjoyed caressing).
Typical Yorkshire lass ... no nonsense ... down to earth friendly girl. Wish I could take her home with me.

The Story:

Found myself in Sheffield and thought I'd sample the local WG's ... decided to treat myself today and visit two different parlours in one afternoon.

First up was Tina (see other report on Ellie at GFE?s across the street from Honeypot)

Tina is a slim blonde with a cute bum and nice tits (Double ?D?s).

We met on this humid August afternoon and I spent a pleasant half hour with her.

I have always liked Yorkshire women anyway ? and Tina did not disappoint.

Started with

a ?body-to-body? then on with the condie and she gave my cock a wee suck whilst I played with her clit and caressed her backside.

Took the plunge with her on top in cowgirl ? fantastic.

Tina says she enjoys cowgirl ? and so did I as I could watch her lovely tits bouncing up and down whilst she rode me from above.

Then into mish ? we built up a nice pace.

We both got quite hot.

Tina has a pretty face which is very pleasing to gaze at as you fuck her.

Unfortunately she does not kiss or do reverse oral ? a minor complaint really ? however I think that we should always respect a lady's opinion and respect her choices.

So she doesn't kiss ? no big deal really.

We swapped to doggy and she felt quite tight as I banged her hard from behind.
Next I asked her to use her legs as my necklace, so ankles around my neck and I got inside her again ? nice pussy ? she is lovely and smooth to ride.

We swapped back to mish again so I could feel her lovely tits and see her face again.

All in all ? a nice wee shag!!!
She is a friendly Yorkshire lass
... and easy to chat with.
All this plus that sexy Sheffield accent
... mmmmmmmmm ... yummy!!!
Go see Tina she is a very nice lady.
