The Premises:

Certainly one of the best maintained parlours I have seen outside Manchester. Very clean and up-to-date. Water dispensers in the room, aircon, shower that worked and clean towels. The area was a bit seedy though which might make one nervous about parking, but there was plenty about. Discreet rear entrance.

The Lady:

A dark-skinned lady in her late 20's? A fabulous body, lean, toned and shapely. Built for speed. Pleasant face with warm, welcoming expression. Good conversation and wit once you catch on to her accent.

The Story:

After initial close contact during which I explained what I wanted, Keeri gave me a soothing, deep back massage with oil which gradually became more erotic. From then on there was oral without and reverse oral - most enjoyable for both I feel sure. At no time was there a feeling of being rushed. Her touch was delicate and highly erotic; she responded to my movements with skill. Her attitude throughout was welcoming. A real find!
