The Story:

after previous encounters with some asian ladies who failed to deliver i thought i'll take a proper look at some field reports before i made this choice and i came up with summer.

when she opened the door i thought wow but i've done that before, after an exchange of paperwork straight to a pre made bath waiting for me, no time wasting there then straight to the bedroom.

straight away she was on her knees taking my manhood in her mouth after a while i had to taste her so i picked her up and put her on the bed and then i saw it and said wow what a great looking pussy and it was nice and tight.

anyways after the deed was finally done she finished me off with a superb massage.

you won't be dissapointed with this one guys i'll certainly be going back
