The Story:

Great punt!! Lana was really good fun and very accommodating with all my requests. Arrived, sorted out money and jumped in a shower. When I came out Lana was waiting on the bed and we soon got down to the action. She's a great kisser and was happy to let me suck her tits and finger her pussy. She then gave me a great bbbj and tried her best to deep throat me. Ended up nearly choking herself - both found it quite funny.

Then had some fun fucking her pussy before moving on the main event - anal. Started off slowly to get her used to it before giving her arse a really good pounding. She seemed to love this and kept asking me to fuck her arse harder. After a few minutes I couldn't hold on any longer and came up her arse.

Had a break and a chat. She's really good fun and easy to chat with. The talk soon turned to sex and she talked about how she loves to play with other girls and enjoys group sex. This got me hard again and she willingly slipped my cock into her mouth. Was keen to fuck her arse again and she was all too happy to let me. Pounded away with much the same reaction as before. Decided to pull out an cum all over her tits (she has a fantastic rack). She cleaned me up, I had another shower and then kissed her goodbye. All in all a very satisfying hour with a great girl.
