The Premises:

It's a clean and professionally organized establishment. All in all a great place.

The Lady:

Absolutely better than her pictures, Grace is a real stunner, a truly delightful girl that I would like to see again, often.

The Story:

Had just 30minutes available between other things but enough to have a great time. She gave me a vigorous blow job, then I quickly tasted her pussy, which deserves at least another appointment then we had sex. She was vigorous during sex too, participative and vocal. Thanks Paige hope to see you again soon.
