The Premises:

Diplomat is fine, as deccribed elsewhere. Private parking and entrance. Basic room is a bit cell-like, but I quite like that. Also I enjoy getting to meet a number of attractive young ladies in their underwear, and choosing who I want to fuck - I know some of you are sensitive about having to choose like that.

The Lady:

Fantastic looker and figure, genuinely 19 as claimed I would say, or not much older. Blonde; lovely large firm breasts (even if not entirley natural); shapely firm and round ass; nice even tan colour; tight and shaved pussy; good skin.

The Story:

I spent 30 minutes, but 2 weeks on a beach holiday, sharing her with a number of friends would have been a better choice!

No oral as only offered with condom. Missed up the offer of anal, foolishly.

She was happy to me to take charge, so worked up quite a sweat over her young body in usual positions.

Louise was genuinely very enthusiastic about sex, said how much she enjoyed getting DPed and described how she had been gangbanged a number of times. That thought really stuck in my head and I have been thinking how to set it up. Being one of a dozen guys fully using her over a number of hours would really be a pleasure.

If anyone knows where she's moved to please let us know!?
