The Premises:

Diplomat as described elsewhere. Love the choice of 5 women all wanting the custom.

The Lady:

Looks the 19 she claims. Tiny, tight body with firm breasts that look larger than b cup. Apparently size 0 and does has a very slim waist that is great to hold while you fuck her. Bulgarian, I think she said.

The Story:

Just great to strip, explore and generally control such a tight young body. Very obedient, but sadly no OWO or anal.

If you like young, skinny girls with big looking tits on a petite frame, she is for you.

Do Diplomat do parties? I'd really like to participate in giving some of these cute young things a proper working over with a big group of guys.
