The Lady:

Pearl is a tall and statuesque lady in her late 40's with long legs and gorgeous boobs.

The Story:

I arranged our rendezvous over the phone and Pearl gave me clear directions to her flat. I parked outside and was immediately ushered upstairs. Pearl greeted me dressed in a smart red dress which gave a nice view of her fine figure and sexy boobs. She offered me a coffee, which I drank on the sofa with her. Pearl then suggested we adjourn to her bedroom, where we both stripped off and she guided on to the bed. On with a condom and Pearl took my member into her warm and inviting mouth. She sucked away until I was nice and hard, then encouraged me to mount her doggy-style in front of the bedside mirror. I did so enthusiastically and was soon buried deep in her juicy pussy. I humped her for a while that way, then changed to missionary. Pearl certainly enjoyed both positions, as did I, though we had to keep the noise down as the neighbours below were still in bed. Finally, Pearl whipped off the condom and wanked me till I came strongly.

Pearl only sees men over 40, but if you fit the bill do get down to Guildford to see her. She's sure to give you a warm welcome.
