The Lady:

Shiraz is a young lithe petite girl from Romania who was dressed modestly in jeans and a blouse top on arrival at my place. This is important as it she did not draw attention to herself when she was walking through the neighbourhood towards my flat. Too often girls will show up looking like escorts, which is an embarrassment.

The Story:

Shiraz came across as a little nervous and just a touch distant to start with, but after a ten minutes or so, relaxed and she engaged me in some nice intelligent and witty conversation. Her English is good.

She is a very good and attentive lover and she is very good at what she does. She appeared to enjoy herself and seemed surprised that I managed to make her come twice - she was visibly shaking and was very hot and sweaty.

The only slight down side initially was that she is quite small inside, but after the help of lots of lube, she managed to fit me in. Once her pussy managed to balloon to accomodate, she really got going. The sight of her inner pussy lips red and swollen being stretched beyond their normal limits whilst I gave her a long hard shafting in doggy, was absolutely fantastic.

No fingers inside though and no DFK.

She left looking exhausted.
