### The Premises:

Kiss Kiss. See previous. They now hand me two cigarettes on arrival without me having to ask ? one for starters and one for the way out. Now that?s what I call service.

### The Lady:

Dymond ? Small, very pretty, Jamaican. ?Dynamite?

### The Story:

This young woman is very, very naughty. And has opened my eyes to a particularly rude world where I dominate proceedings and administer large portions. Rather forcefully. Oh dear. And I thought I was such a nice boy?.

Incidentally ? and rather oddly, bearing in mind my impeccable middle class/liberal heritage ? Dymond was my first Afro-Caribbean working girl. Should anyone else find themselves in a similar situation, my advice would be to ?fill yer boots, my old son!?
