The Lady:

Tall, lithe, beautiful silky ebony skinned, extremely pretty with delicate features. Firm boobs. An athletes body with the face of an exotic princess.

The Story:

A perfectly lovely experience. Keeri responded exactly to my needs with sweet, sensual, deep kissing and gentle stroking from both participants.
Her dancer's body responded sensually to my touch and those heavenly legs took on a life of their own.

Skillful though she was, my own excitement couldn't contain a covered explosion in her mouth.

I look forward to seeing the fabulous Keeri again.
