### The Premises:

Ground floor flat in a very nice area, very clean and safe, parking on road or in grounds of apartment block

### The Lady:

attractive mature lady around 5'9", nice enhanced boobs with superb nipples, she is very fit.

### The Story:

a reasonable GFE with good conversation. Started with a massage with her touching all the right buttons and bits. Turned over to see the magnificent chest on display which felt rather good when touching and kissing them. some light OWO with much caressing and as a gentleman of mature years the magic worked so we finished off with a fabulous session of doggie she is a lovely mover and of course the climax was great. After, used the bathroom to clean up which was very clean and modern. Worth a visit if like me you prefer mature ladies.
