The Premises:

Fairly standard hotel a minutes walk from the tube.

The Lady:

Very petite and sexy. Not too skinny which I have a criticism of some of the other girls from this agency. Long Brunette with some nice highlights. Very new tatoo, v sexy overall. If you're looking for someone busty, look elsewhere.

The Story:

Been wanting to see Ashley for some time now and was delighted to see that she was back from her holiday. In her own words, she's been away a while and 'really needs a fuck!'. How could you not fall for that!! She greeted me at the door in a fairly conservative attire but when I returned from a quick shower she was dressed in a sexy fishnet dress and killer heels. If I'd have a criticism of Max's girls they've tended to be a little too skinny. Ashley is tiny, petite yet devastatingly sexy. I'm not going to tell all of what went on but highlights were being tied up on the bed with some bondage tape and (in an inspired moment of invention) some fishnet stockings. Followed an incredibly wet blowjob and Ashley bringing herself off on my chest inches from my eyes with a small vibrator and a massive dildo (Ashley was delighted that she could bounce on my chest to push it further in!). Followed by a great and extremely visual CIM. Round 2 was preceded by Ashley wanting to get herself off and asked me to help. Cue small vibrator and one shuddering orgasm (I'm always dubious of WG's orgasms but if she was faking then all credit to her). Next, the stockings were back in action as the tables were turned on her and her hands tied behind her back and a blindfold on. Great doggy by the bed and the coup de grace in a wonderful CIM/CIF (kind of cross between the two). Have to say that the whole thing was kinky as hell but also in great humour, mainly because Ashley was such good fun. It's always great when you click with someone and it doesn't happen often but the whole thing was so relaxed and sexy it's just bliss. Ashley definitely worth the wait. Great value!

P.S. One major drawback (nothing to do with the girl), it's never simple to book an appointment. Had booked the night before this but when called to confirm was told that Ashley was finishing at 7 so unavailable but Ashley told me that she'd worked through most of the night so obviously they'd just forgot to put me in the diary. Unimpressive.
