The Premises:

No need to go into too much detail, as much reported.

This is one of those places where you are shown into a reception room and the girls come in and introduce themselves to you.

On parade today were Catherine, Susie Isabella and of course Sophie. Although I'm a sucker for big boobs, I was particularly taken by the blonde.

Key points, easy inexpensive parking. Outer red door which isn't locked so you go straight in off the street into a hallway.

Room clean and tidy. Sorry the establishment as a whole looked clean and tidy. Room equipped with air con and cold water in a dispenser.

The Lady:

Blonde, small in the boob department and height is so difficult to determine when firstly she is wearing high heels and secondly her best work isn't performed in a standing position.

See pictures on website.

I'm no good with guessing ages so I won't try, but the website says 26, wouldn't disagree.

The Story:

There I was sitting quietly in the chair, Sophie comes in and before I could blink I had my trousers round my ankles and she was giving me a BJ. First time I have ever been given OWO or OW choice where OWO is standard in the charge.

My time with Sophie passed all too soon, during which time I was thoroughly entertained.

A knock on the door signalled it was time to go, and then only because the room was needed. Apparently 3 rooms and 4 girls. She certainly wasn't watching the clock.

Left with a smile on my face, which should remain for a few days.
