### The Premises:

Another visit to this Chinese run massage place right next door to Westferry DLR. Although it is a council flat it is okay inside.

### The Lady:

Tina is a petite, Chinese girl with perky A cup boobs. She greeted me wearing a short red dress which underneath she had on a white push up bra and black, tanga briefs.

### The Story:

I had a really relaxing massage, including body to body which, to be honest, doesn't do much for me except that the body weight helps the soothing process. The relief wasn't hurried and I just let my hand wander over Tina's legs, bum and boobs before succumbing to orgasm.

When I got up from the couch Tina massaged my neck and shoulders which again was so relaxing.

This is a useful location and one which I will no doubt visit again.
