The Premises:

Very safe private detached house in quiet road.

The Lady:

Tall very busty mature blonde. Her pictures on the website are accurate but don't show her smiling face!

The Story:

A very comfortable relaxing hour spent in the company of a professional who knows how to put a man at ease and treat him well.

Started with a massage with those wonderful tits on my back before moving on to more interesting things.

She can make a lot of noise so its as well that the house is detached!

A wonderful time - I shall return soon.
