The Lady:

Celeste is a voluptuous lady in her early forties about 5 foot 5 tall sorry dont do metric she has a lovely smile and a personality to match.

If you like big ladys and big boobs then this lady will not disapoint you.

The Story:

We started off with some long slow kissing the passion was incredible.

Celeste told me she enjoys what she does and I have no reason to disbelieve her.

She stopped kissing for a minute I could not keep my hands off her what a lovely woman.

We then tried other things I wont go in to all the details but she was great and a genuine great time was had by us both.

I opted to try some domination and Celeste was good at understanding me and delivering the goods

We moved on through the afternoon and celeste finished me off with the most fantastic oral ever I felt totally relaxed.

I was never rushed and Celeste is no clock watcher

This punt has got to be 12 out of 10.

Dearest Celeste one of Yorkshires best kept secrets visit her and take care of her.
